

All Day

Hillsong United

And I don't care what they say about me, it's alright
And I don't care what they think about me
It's alright, they'll get it one day I love You and I'll follow You
You are my, my life
And I will read my Bible and pray And I don't care what it costs anymore
'Cause You gave it all and I'm following You
And I don't care what it takes anymore
No matter what happens I'm going Your way 'Cause I love you and I'll follow You
You are my, my life
And I will read my Bible and pray
I will follow You all day And all day
And all day now
All day
I'll follow You And all day
And all day now
All day And I don't care what they say about me
It's alright, it's alright
And I don't care they think about me
It's alright 'Cause I love you and I'll follow you
You are my, my life
And I will read my Bible and pray
And I will follow you all day And all day
And all day now
All day
I'll follow You All day
All day now
All day 'Cause anyone around can see
Just how good You've been to me
To all my friends that don't know You
I pray that You would save them too All day
All day now
All day All day
All day now
All day All day
All day now
All day And all day
All day now
All day All day
All day now

I pray that You would save them too
