

# One of a Kind

## Bratz

(Jade and Breeana)

One of a kind

Shine so bright

Nothing compares oh

Oh One of a kind

Theres no one like us anywhere

Oh

Were unique, even more

We dont drift like a feather we take off and soar

Were unusual, thats right

We do more than twinkle we rock the night oh

Unlike the fairy tales youve heard before

Were unexpected, were so much more

Were

One of a kind

Shine so bright

Nothing compares oh

Oh One of a kind

Theres no one like

Us anywhere oh

One of a Kind

We are magical, thats right (thats right)

And just like the stars we can light up the night

In a world our own, like a dream

And we sparkle and shine if you look then you see oh

Unlike the fairy tales youve heard before (oh yeah)

Were unexpected, were so much more

Were (eeee)

One of a Kind

Shine so bright (so bright)

Nothing compares oh

Oh One of a Kind

Theres no one like (ooooh)

Us anywhere

One of a Kind

[SASHA'S RAP}

Step inside another world youve never been before  
Were something that youve never seen and so much more  
One of a Kind were shining bright unusual and unique  
More than just a fairy tale more than fantasy were

One of a Kind  
Shine so bright (so bright)  
Nothing compares oh (oooh)  
One of a Kind  
Theres no one like oooh  
Us anywhere oh (One of a Kind)  
One of a Kind  
Shine so bright oh yeah  
Nothing compares ooooh yeah  
One of a Kind (One of a Kind)
