

Chupacabra

Crobot

300 dead sheep in Columbia
Victims of a creature as vicious as a god
Hairless and hungry, covered in mange
Carnivorous in all its attacking ways Well I found that bloodsucker down by the river...Down by the river
El Chupacabra
Oh, down by the river
El Chupacabra, Chupacabra
Does such a thing exist, we may never know
All with glowing eyes of red, could steal your very soul
Movement in the distance, wait 'til the coast is clear
Monster of Mexico, I got your goat right here Well I found that bloodsucker down by the river...Down by the river
river
El Chupacabra
Oh, down by the river
El Chupacabra, Chupacabra Get up! Well I found that bloodsucker down by the river...
Down by the river
El Chupacabra
Oh, down by the river
El Chupacabra, Chupacabra Oh, down by the river
El Chupacabra, Chupacabra
Oh...
