

Sister Sin (No Fixed Address 2014)

Nickelback

Wake up, my baby still look amazing with no make-up
Damn it I knew the second that you came up
From underneath the covers say, I wanna meet your mother
Your daddy, your sister and your brother One week, the time it took you to tell me that you love me
But darling my shit moved across the country
And now we're buying diamonds
Said it's only twenty karats it can't be that hard to find it baby Your touch has made me a believer
Your love is all I ever needed
And she's the only one I'd follow for eternity
She's got me runnin' round and round She tastes like the sunshine kissing me
Even sweeter than a honey on a bumblebee
She said honey if you want you can come with me
She's got me runnin' round and round
She taste like the sunshine kissing me
Even sweeter than a honey on a bumblebee
She said honey if you want you can come with me
She's got me runnin' round and round Light on Sunset, can't imagine the two ain't having fun yet
Baby maybe just wait 'cause I ain't drunk yet
As soon as I looked over man
Way to sugar coated you were busy motorboatin'
On that blonde girl
Keep up with what you're doing
Ain't nothing wrong girl
Looks like we got another come along girl
If you ain't afraid to try it
You know we'll be flying private as long as I can be the pilot baby Your touch has made me a believer
Your love is all I ever needed
And she's the only one I'd follow for eternity
She's got me runnin' round and round She tastes like the sunshine kissing me
Even sweeter than a honey on a bumblebee
She said honey if you want you can come with me
She's got me runnin' round and round
She tastes like the sunshine kissing me
Even sweeter than a honey on a bumblebee
She said honey if you wanna you can come with me
She's got me runnin' round and round Oh oh, oh oh
Oh oh, oh oh
Oh oh, oh oh She's got me runnin' round and round Flo Rida girl, you got me runnin' round hey
What a perfect misses, my misses still eat McDonalds

Taste delicious prim madonna knock this swiss so I guess she did it
What my kisses, what my pictures
Steppin' the oo back pay a visit
To my baby yeah my baby girl
Run around town on a treadmill
I ain't going nowhere, no underwear
That's what she wear
Gotta playmate wanna join the party
She was supposed to be like Hugh Hef
Birthday cake wanna grant my wishes
Every day I'm losing my breath
Can't replace that face, that waist
I chase this girl, a barefoot dare, baby She tastes like the sunshine kissing me
Even sweeter than a honey on a bumblebee
She said honey if you want you can come with me
She's got me runnin' round and round
She tastes like the sunshine kissing me
Even sweeter than a honey on a bumblebee
She said honey if you wanna you can come with me
She's got me runnin' round and round Oh oh, oh oh
Oh oh, oh oh
Oh oh, oh oh
She's got me runnin' round and round
Oh oh, oh oh
Oh oh, oh oh
Oh oh, oh oh
She's got me runnin' round and round
