

# Donald Trump

## Ssssnakes

Ay yo, the flyest muthafucka up in the room  
Yeah, you know it's me  
Bitches hating on him  
'Cause he started out here locally Hopefully, I'll be at the top soon  
For now I'm at my house  
On the couch watching cartoons You know how much you love it  
When you get it in abundance  
Give a fuck about a budget  
When you always be the subject of discussion But it's nothing when you stop  
And just say, fuck it  
'Cause you walking out in public  
And hear 'em talking rubbish I just wanna ride  
Ride through the city in a Cutlass  
Find a big butt bitch  
Somewhere get my nuts kissed That's the way it goes  
When you party just like I do  
Bitches on my dick  
That used to brush me off in high school Take over the world  
When I'm on my Donald Trump shit  
Look at all this money  
Ain't that some shit? Take over the world  
When I'm on my Donald Trump shit  
Look at all this money  
Ain't that some shit? We gonna take over the world  
While these haters getting mad  
That's why all my bitches bad  
They see this crazy life I have and they in awe We gon' win  
You can take the lose or draw  
What I'm in, got these hoes  
That used to play me and they broads We gonna take over the world  
While these haters getting mad  
Take over the world  
Watch these haters get mad That's why all my bitches bad  
They see this crazy life I have  
Hop into to the car  
Then we take 'em to the pad, it's a wrap And muthafuckas think they know me  
But they never met the kids  
Style come with excellence  
And money make benevolence Irrelevant for the fuckers

Who never been intelligent  
I kill my Henney  
Break the bottle for the hell of it  
Tell a bitch  
She better bring her friends  
And if she want a autograph  
She better bring a pen  
Yeah, the party never ran  
This life is what I recommend  
And if you got a hope it for me  
Then she better be a 10  
I ain't picky  
But these girls be acting tricky  
When the situation's sticky  
And the liquor got 'em silly  
But I take over the world  
When I'm on my Donald Trump shit  
Look at all this money  
Ain't that some shit?  
We gonna take over the world  
While these haters getting mad  
That's why all my bitches bad  
They see this crazy life I have and they in awe  
We gon' win  
You can take the lose or draw  
What I'm in, got these hoes  
That used to play me and they broads  
We gonna take over the world  
While these haters getting mad  
Take over the world  
Watch these haters get mad  
That's why all my bitches bad  
They see this crazy life I have  
Hop into to the car  
Then we take 'em to the pad, it's a wrap
