Reasons

Khalid

[Verse 1]:
Evade my intellect
Feed into my introspect
Wrap your words around my brain
Driving me insane
You found the real me
Save my inner being
Switch on me like seasons
Do I need to give you a reason?[Chorus]:
There's millions of reasons to love you
There's millions of reasons
Give me a reason to want you
Give me a reason
Give me a reason, give me a reason, give me a reason.(x2)[Verse 2]:
I know you're tired of inconsistency
Are you into me? Are you feeling me
To be honest
I'm into you, and the way that you talk is so damn cool
With your love I'm on a different high I've never felt before
And if your love is a drug, I'm an addict cause damn I'm feigning for more
We been talking for a minute now
Let me know where your heads at, am I in it?
You put me on your super high
I want to get lost in your paradise
repeat chorus[Chorus]:
There's millions of reasons to love you
There's millions of reasons
Give me a reason to want you
Give me a reason
You give me a reason, give me a reason, give me a reason. (x2)
