

Jesus Was Right

Frank Black

Maybe on the street
Maybe on the beach
Maybe I'll see you at the mallJesus was right
 Yeah, I don't wanna fight at all
 At allI wanna be alone
 I wanna be inside my headphones
 I skate for transportation
 Play guitar for elevation
Into a state of my ownI like distortion when I bar chord
 A lonely parking lot
When I ride on my boardMaybe on the beach
 Maybe on the street
Maybe I'll see you in the hallI wanna be aloneJesus was right
 Yeah, I don't wanna fight at allI wanna be alone
 I wanna be inside my headphones
 I skate for transportation
 Play guitar for elevation
Into a state of my ownI like distortion when I bar chord
 A lonely parking lot
When I ride on my boardLike distortion when I bar chord
 A lonely parking lot
When I ride on my boardLike distortion when I bar chord
 A lonely parking lot
When I ride on my board
