Strength

Blac Youngsta

I don't need no negative vibes around me
If you on any negativity, stay away from round me
May God be with you, may God be with me
You, me, them, us, weStrength
Grandma, she got
Strength
Mama, she got
Strength
And my auntie, she got
Strength
Stickin' together we'll have
Strength
We can unify
Strength
If you gon' die, die with
Strength
My family need a lil'
Strength
I prayed to GOD for
Strength
Give my people
Strength
Ima do it on tha
Strength
Kept it 100 on tha
Strength
Spent money on tha
Strength
Did it for my dawg on tha
Strength
I Know he'll do it for me on tha
Strength
Yeah nigga, Ima need tha whole
Strength
We gotta stick together as black people
If we come together, we'll have more strength
You see what happen to Miami and Houston
Yeah ya'll done forgot about Flint
I can't forget (swear to God)

Cuz I went and viewed it wit' my own eyes
I tried to help everybody I can
I'm pretty sure tha people realize (they understand)
I'm black and I'm proud, I wanna see my black sisters smile
I'm sick of black brothers dyin', Black Mama's cryin'
My Mama had to bury her son, that's tha hardest shit I ever seen her do
I had to bury my brother, that's tha hardest shit I been through
Strength
Grandma, she got
Strength
Mama, she got
Strength
And my auntie, she got
Strength
Stickin' together we'll have
Strength
We can unify
Strength
If you gon' die, die with
Strength
My family need a lil'
Strength
I prayed to God for
Strength
Give my people
Strength
Ima do it on tha
Strength
Kept it 100 on tha
Strength
Spent money on tha
Strength
Did it for my dawg on tha
Strength
I know he'll do it for me on tha
Strength
Yeah nigga, Ima need tha whole
StrengthI can't prove my point no mo', I ain't got nobody to prove shit to
I ain't beefin' wit' broke niggas no mo', I ain't got nobody to do nothing to
All my young niggas, they successful, I ain't nobody to shoot nothing to
Everybody round me killin' shit, I ain't gotta worry bout who gon' do it
Race to tha murder, race to tha murder
Bruh I'ma do it, nah bruh I'ma do it
I'm successful, bruh I can't do it
Everybody runnin' to tha money, tryna sue me

I know them hatin' ass niggas wanna do me
Shoot me shoot me, do me do me
That label told me calm down on tha gang shit,
So I went and dropped that Booty
Strength
Grandma, she got
