

Whispers In The Dark (Radio Edit)

Skillet

Despite the lies that you're making
Your love is mine for the taking
My love is
Just waiting

To turn your tears to rosesDespite the lies that you're making
Your love is mine for the taking
My love is
Just waiting

To turn your tears to rosesI will be the one that's gonna hold you
I will be the one that you run to
My love is
A burning, consuming fireNo
You'll never be alone

When darkness comes, I'll light the night with stars
Hear the whispers in the dark
No
You'll never be alone

When darkness comes, you know I'm never far
Hear the whispers in the darkYou feel so lonely and ragged
You lay here broken and naked
My love is
Just waiting

To clothe you in crimson rosesI will be the one that's gonna find you
I will be the one that's gonna guide you
My love is
A burning, consuming fireNo
You'll never be alone

When darkness comes, I'll light the night with stars
Hear the whispers in the dark
No
You'll never be alone

When darkness comes, you know I'm never far
Hear the whispers in the darkNo
You'll never be alone

When darkness comes, I'll light the night with stars
Hear the whispers in the dark
No
You'll never be alone

When darkness comes, you know I'm never far

Hear the whispers in the darkWhispers in the dark
