

Disarray

Lifehouse

I've faced my demons
Wrestling these angels to the ground
And all that I could find
Was a thin line between
All the saints and villains
It was crossed in my own minds

Someday I'm gonna find it
Wish I knew what I was looking for
Inside the disarray (inside the disarray)
I woke up this morning
Don't know where I'm going
But it's alright
I wouldn't have it any other way

Struggling between the facts and fiction
I'm alone
But I'm alive
Everyone around me is trying to make a statement, then there's me
I'm just trying to survive

Someday I'm gonna find it
Wish I knew what I was looking for
Inside the disarray (inside the disarray)
I woke up this morning
Don't know where I'm going
But it's alright
I wouldn't have it any other way
If this was any other day
I pretend to know where I stand
I Just don't know (just don't know)
I Just don't know

Someday I'm gonna find it
Wish I knew what I was looking for
Inside the disarray (inside the disarray)
I woke up this morning
Don't know where I'm going
But it's alright

I wouldn't have it any other way
Someday I will find it
Wish I knew what I was looking for
Inside the disarray (inside the disarray)
I woke up this morning
Don't know where I'm going
But it's alright
