

# We Got the Neutron Bomb

## The Weirdos

We got the neutron bomb,  
We got the neutron bomb  
We got the neutron, gonna drop it all over the place  
Yer gonna get it on yer face  
Foreign aid from the land of the free  
But don't blame me  
We got the neutron bomb,  
We got the neutron bomb  
We got the neutron, don't understand you don't know what you mean  
We don't want you we want your machines  
United Nations and NATO won't do  
It's just the red, white and blue  
We got the neutron bomb,  
We got the neutron bomb  
We got the neutron, that's the way it's gotta be  
Survivial of the fittest is the way it's gonna be  
We don't want it, we don't want it,  
Don't blame me  
We don't want it, we don't want it,  
Don't blame me
