

# Crazy or High

## Zakk Wylde & Black Label Society

I thought I knew who you were  
I thought I did, now I ain't so sure  
I can't believe what I see  
I take a look and I know what you need  
Out of your mind  
Oh, you must be crazy or high  
Out of your mind  
Oh, you must be crazy or high  
Days have changed and rolled by  
They are forever 'til the day that I die  
You tried to kill me again  
I feel no pain although the scars never mend  
Out of your mind  
Oh, you must be crazy or high  
Out of your mind  
Oh, you must be crazy or high, high  
Out of your mind  
Oh, you must be crazy or high  
Out of your mind  
Oh, out of your mind  
Oh, you must be crazy or high
