La, la, la
La, laI only want to love you
Please dont push me away
Let me in your lifeI wasnt even there when he hurt you
So why should I have to pay
Let me in your lifeI want to share your tomorrows
So I must beg you today
If hes the cause of your sorrows
Be glad that hes gone awayI need someone, let me love you
Please dont push me away
Let me in your lifeLa, la, la
