Fuck It Up

Iggy Azalea

[Iggy Azalea & {Kash Doll}:]
(Fuck it up, sis)
Just fuckin' it up (Fuck it up, sis)
Pull up in some new shit (Fuck it up, sis)
Just fuckin' it up, ayy
Fuckin' it up
I be standing on the couch just fuckin' it up, ayy
(Fuck it up, sis, fuck it up, sis)
Fuckin' it up (Fuck it up, sis)
I be in my own space just fuckin' it up, ayy
(Fuck it up, sis, fuck it up, sis)
Just fuckin' it up (Fuck it up, sis)
G-gettin' money feel way better than bustin' a nut
Fuck it up, sis, fuck it up, sis {Ayy, ayy, ayy, ayy}
Fuck it up, sis, fuck it up, sis {Ayy, ayy, ayy, ayy}

[Iggy Azalea:]
Look
I'ma let these bitches know right now I ain't the one to play with
30 thousand, all hunnids in the bag, that's what I stay with
If a bitch got smoke or pressure, I suggest right now you say it
He love when I slop it up, his favorite when lil Iggy spray it
I got my coins, but still gon' look for him to pay it
News broke the net, I hate to be the one to say it
Barely show shit and they still pay their last to graze it
Bitches mad tight, their mans, they want to have my baby
Barely ever out, but when I am, I'm lookin like a lick
I grab his dick, I told him don't say shit, he like my last flick
They AP never took ya in my DMs, but he never hit
I brought them bitches out and all my bad bitches with the shits
