

Love

Rosey

Love, I am so different
Love, I am so different
Love, I am so different than before Love, can I be loved?
Love, could I ever really be loved?
Love, if you ever find me I wonder will you try me?
I'm so different than before Love, the kind that I've dreamed of
Well, it starts right here inside of me love
Love, if you ever find me I wonder, will you try me?
I'm so different than before
Love, I am so different than before Love I am so different
(Love, I am so different)
Love I am so different
(Love, I am so different) Love, where are you waiting?
In dark and smoky rooms I hear you singing to me
Love, let my voice take you and the songs we'd make
Would be so different than before Ooh, yes my love
If you ever find me when I ask you try me
I'm so different than before
Love, I am so different than before Love I am so different
(Love, I am so different, oh oh so different)
Love I am so different
(So so different, hmm, so different)
Love I am so different
(So so different, I am so different)
Love I am so different
(Love, I am so different than before) The word is out, the time has come
Begin again and reinvent my love
Make it strong with arms so long
And stretching out to everyone And nothing replays this blissed out space
This is what I wanted, this is what I made
Every little thing gonna be alright
One day, so may, you'll be mine Love, this time you won't mistake me
I'm ready love for you to take me with you
Love, if you ever find me I wonder will you try me?
I'm so different than before Ooh yes
My love, I know when you found me
You'll wrap yourself all around me
I am so different than before Oh yes
My love, I know you will show me

And with words you never told me
I'm so different than before Love I am so different
(Love, I am so different, oh oh so different)
Love I am so different
(So so different, hmm, so different)
Love I am so different
(So so different, I am so different)
Love I am so different
(Love, I am so different than before)
