

Wired For Sound

Cliff Richard

I like small speakers, I like tall speakers
If they've music they've wired for soundWalkin' about with a head full of music
Cassette in my pocket and I'm gonna use it
Stereo out on the street you know, woh oh wohInto the car go to work I'm cruisin'
I never think that I'll blow all my fuses
Traffic flows into the breakfast show, woh oh wohPower from the needle to the plastic
A.M., F.M. I feel so ecstatic now
It's music I've found and I'm wired for soundI was small boy who don't like his toys
I could not wait to get wired for soundI met a girl and she told me she loved me
I said you love me then love means you must like what I like
My music is dynamite, woh oh wohShe said, I'm not a girl you put on at a stand by
I am a girl who demands that her love is amplified
Switch in to overdrive, woh oh wohPower from the needle to the plastic
A.M, F.M I feel so ecstatic now
It's music I've found and I'm wired for soundPower from the needle to the plastic
A.M, F.M I feel so ecstatic now
It's music I've found as I'm wired for soundI like small speakers, I like tall speakers
If they've music they've wired for sound
I like small speakers, I like tall speakers
If they've music they've wired for soundI like small speakers, I like tall speakers
If they've music they've wired for sound
I like small speakers, I like tall speakers
Wall speakers most of all I like loud speakers
