Mean Mistreater

Leslie West

She's a mean mistreater
And she don't mean me no good
She's a mean mistreater
And she don't mean me no goodWell you know, I don't blame you baby
I'd be the same way if I couldShe's a mean mistreater
And the girl mistreats me all the time
She's a mean mistreater
And the little girl mistreats me all the timeWell you know, you just wants to quit me darlin'
Because you got that on your mindWell, you remember that Monday mornin'
That I knocked up, up on your door
You had the nerve to tell me that you didn't love
Me no moreCan't you remember baby
When I knocked up on your door?
Well you know, you had the nerve to tell me that you
That you didn't love me no moreWell you know, it's lonesome, you know, it's lonesome
When you sleepin' all by yourself
The little girl that you lovin'
She lovin' someone elseAnd it's lonesome sleepin' by yourself
Well you know
The little woman that you in love with now
She is loving someone else
