

I Only Have Eyes For You

[Jamie Cullum](#)

Are the stars out tonight?
I don't know if it's cloudy or bright
'Cause I only have eyes for you, dearMy love must be some kind of blind love
I don't see anybody but youThe moon may be high
But I can't see a thing in the sky
'Cause I only have eyes for youI don't know if we're in a garden
Or on a crowded avenueYou are here, so am I
Maybe millions of people go by
But they all disappear from view
And I only have eyes for youMy love must be some kind of blind love
I don't see anybody but you
