

# Can You Feel It

## Fat Boys

Oooh Weee! Oooh Weee! Chorus Can ya... Can ya feel it? (I can feel it)...

Parum pum pum

Can ya... Can ya feel it? (I can feel it)

Feel this drum That's the sound of the man workin' on dat rhydum'

And we ain't gonna stop until yal workin' wid 'em

No time for standing for poses

Got to be movin' like Moses

And when that Funk comes together

You'll be holding ya noses

(Hands up) we da band, but we ain't plugging it up

(Stand up) if you can stand, you can't be sitting to

Rock

(Back up) back up if you not willing to ride,

Cause we going on a tour, (alright) where we going? Fat, Fat Boys, way back, that's from the eighties

Fresh like Dougie, inspiration... we were babies

Get up on the stage, we go vocal, they go crazy

We got somethin' for the fellows,

This ain't only for the ladies... Chorus You wanna ticket to the show cause ya heard that it's

Vocal,

Where you at on the map? It don't matter we go local.

The label wanted commercial, so we had a rehearsal

Dial ### and get the infomercial

(Hold up) wait a minute, you mean that's all with your

Mouth

(Roll up) and we gon' bring it from the north to the

South

(Own up) you ain't never rode like this before

Ain't no sleepin' on this tour, (for sure) Where we going? Chorus Oldschool! The oldschool connects the whole groove, "that's

Cool"...

The "that's Cool" connects the hi hats, next rule.

The hi hat connects you to the snare, here's one

The snare drum connects you to the big kick drum.

You know the kick drum connects you to the heavy bass

Note,

And then the bass note connects the 808, all throat.

The 808 completes the bottom and the melody seals it,

And now we all come together and we ask "Can ya feel It?" Chorus With the final concoction, standing still ain't an

## Options

Now we bouncing like a family, yea legal adoption.  
Yal ain't moving yet, that I can't except  
How many sounds we gotta imitate to getcha' respect.  
(Don't stop) we in the flow, can't cha' see that we  
Movin'  
(Hip hop) that's the style of the music we using.  
(First drop), last drop, you best get all you can get  
Yal getting tired on this tour?... (Not yet)  
Where we going?"He's Biz Markie" yo make the music with ya mouth  
(Nobody, Nobody beats the Biz)  
"That's incredible" ... 20 years later... still edible  
Bghghghgh! Stick 'em, ha, ha, ha, Yea we copied it  
Don't worry be happy, we gonna do dis just like Bobby
