

# Love Me Like You've Never Been Hurt

## Lee Greenwood

He must be a fool  
He must have lost his mind  
How else could he hurt you?  
Time after lonely time  
He'll come around again  
And you know just what he'll say  
But it's too late for him  
This time just turn away  
Love me like you've never been hurt  
Like I'm the last man on earth  
And the first one to touch you  
Baby, love me like you can't help yourself  
Like nobody else could ever hold you like I do  
Come on and trust me for all of it's worth  
And love me like you've never been hurt  
Take a look into my eyes  
And tell me what you see  
No secrets, no disguise  
Just shameless honesty  
This time it's love you've made  
You're safe here in my arms  
Let him have yesterday  
Let me have from now on  
Love me like you've never been hurt  
Like I'm the last man on earth  
And the first one to touch you  
Baby, love me like you can't help yourself  
Like nobody else could ever hold you like I do  
Come on and trust me for all of it's worth  
And love me like you've never been hurt  
Like it's all you can do, like I'm loving you  
Love me like you've never been hurt  
Like I'm the last man on earth  
And the first one to touch you  
Baby, love me like you can't help yourself  
Like nobody else could ever hold you like I do  
Come on and trust me for all of it's worth  
And love me like you've never been hurt  
Come on and trust me for all of it's worth

And love me like you've never been hurt
