

Watch the Birdie

Leo Mathisens' Orchestra

Watch the birdie and take a camera, candid shot
Watch the birdie, come on and give it all you've got
Watch the birdie, just look around and pick a spot and hold it
 Watch the birdie, just strike a funny pose a while
 Watch the birdie and you can beat that pose a mile
Watch the birdie, let me see your pretty smile and hold it
 Looking for a tall dark handsome man
 With eyes of blue and golden tan
 Strong white teeth like Joel McCrea
 Hey you, get out of the way
 Watch the birdie and take a camera Candid shot
 Watch the birdie, come on and give it all you've got
 Watch the birdie, just look around and pick a spot and hold it
 Watch the birdie and take a camera Candid shot
 Watch the birdie, come on and give it all you've got
 Watch the birdie, just look around and pick a spot and hold it
 Watch the birdie, just strike a funny pose a while
 Watch the birdie and you can beat that pose a mile
 Watch the birdie and let me see your pretty smile and hold it
 Looking for a tall dark handsome man
 With eyes of blue and a golden tan
 Strong white teeth like Joel McCrea
 Hey you, get out of the way
 Watch the birdie and take a camera Candid shot
 Watch the birdie, come on and give it all you've got
 Watch the birdie, just look around and pick a spot and hold it
 Ooh, watch the birdie
 Ooh, watch the birdie
