Lil lady
Can you be crazy
Make me be crazy
Taste your mascato, (your mascato)
Lil lady
Like a relapse from recovery
Wont you kiss up on me
Do ya thing up on me, on me
I got that rude boy
I can get it up
Fresh from penitentiary
Yea im big enough
We could play in fours
If four is what you play
We can do this all day, ay
Tell me, tell me what you like
