Tell Me

Chris Malinchak

People are different face
Like the stars, didn't make them
We can't frame them
Where we go, people watch us
Wanna follow, nothing said
Can determine who you areTell me
Time is gone, can't you see that there's ringing
From above, you can hear the angels singing
What we know will not help us go much further
In your bed, do you know just who you are?Tell me
Now won't you tell me who you are?
Why so many secrets?
What are you hiding?
Tell me
Tell me
Tell me
And no matter what you say
I promise not to tell
