

Going to Try

Ten Years After

I'm going to try, I'm going to try
I'm going to try and get my feet out of the sand I'm going to try, I'm going to try
I'm going to try and find out where's the promised land Where are you? How do I know you're true
Know you're true, know you're true
Now I can find what I want out of life, out of life I wanna try, I wanna try
I wanna try and find out where's the promised land
