

# Amsterdam

## Van Halen

Looking good through the window  
Shinin' red and blue light, yeah  
A little thick in the bottom  
But still lookin' alright, yeah Got a pocket fulla money  
Got me a long night ahead  
A quick stop by the bulldog  
Score me some panama red, yeah Wham, bam, oh Amsterdam  
Yeah, yeah, yeah  
Stone you like nothin' else can  
Yeah, yeah, yeah  
Hot damn, roll an Amsterdam  
Yeah, yeah, yeah  
If she can't, then nothin' else can Caught a plane outta Moscow  
Spent one cold night in Berlin, yeah  
It's a long hard way  
But I'm a comin' back again, yeah Wham, bam, oh Amsterdam  
Yeah, yeah, yeah  
Stone you like nothin' else can  
Yeah, yeah, yeah  
Yea, come on now, roll an Amsterdam  
Yeah, yeah, yeah  
If she can't, then no one else can  
Yeah, yeah, yeah Wham, bam, oh Amsterdam  
Yeah, yeah, yeah  
Stone you like nothin' else can  
Yeah, yeah, yeah  
Hot damn, roll an Amsterdam  
Yeah, yeah, yeah  
If she can't, then no one else can  
Yeah, yeah, yeah Wham, bam, oh Amsterdam  
Yeah, yeah, yeah  
You don't have to worry about the man  
Yeah, yeah, yeah  
Hot damn, burn an Amsterdam, yeah  
Yeah, yeah, yeah  
Stone me like nothin' else can  
Yeah, yeah, yeah
