You Don't Know Me

Jerry Vale

You give your hand to me and then you say hello
I can hardly speak, my heart is beating so
And anyone can tell, you think you know me well
But you don't know meOh, you don't know the one that thinks of you at night
Who longs to kiss your lips and yearns to squeeze you tight
No, I'm just a friend that's all I've ever been
You just don't know meI never knew the art of making love
Though my heart aches with love for you
Afraid and shy, I let my chance go by
The chance that you might love me tooYou give your hand to me and then you say goodbye
I watch you walk away beside the lucky guy
You'll never, never know the one who loves you so
You just don't know meI never knew the art of making love
Though my heart aches with love for you
Afraid and shy, I let my chance go by
The chance that you might love me tooYou give your hand to me and then you say goodbye
I watch you walk away beside the lucky guy
Who'll never, never know the one who loves you so
You just don't know meYou'll never, ever know
Mmm, 'cause you just don't know me
