

Icing

Charity Vance

You are the Icing on my Cake
You are the Smile I can't replace
You are, you are
The way you smile the way you laugh
The way I can't help but catch your joy
Your Joy!

Chorus :
Metaphorically, this song just says one thing
I Love You
That's what I'm telling you, oh!
And there's no irony because I see what I mean
I love you, I love you

You are the minutes of my time
Your inspiration to this rhyme
You are, you are
You are the apple of my eye
The sweet sunshine of the sky
You are, you are

Chorus:
Metaphorically, this song just says one thing
I Love You
That's what I'm telling you, oh!
And there's no irony because I see what I mean
I love you, I love you

Mm
Whoa
Oh Oh oh
Lalalala

When cloudy days come along
When we're really not near this song
And know, just know
If sad times steal your joy
Ring me up and hear my voice
I Love You's tend to mute the noise

Chorus:

(Metaphorically, this song just says one thing

I Love You

That's what I'm telling you, oh!

And there's no irony because I see what I mean

I love you, I love you)*2

Mm

Whoa

Oh Oh Oh

Lalalalala

(You are, you are

You are every bit of beautiful)*2
