

# Supernatural Superserious

R.E.M.

Everybody here comes from somewhere  
That they would just as soon forget and disguise  
At the summer camp where you volunteered  
No one saw your face, no one saw your fear  
If that apparition it just appeared  
Took you up and away from the space and sheer humiliation  
Of your teenage station  
Nobody cares, no one remembers  
And nobody cares  
And you cried and you cried  
He's alive, he's alive  
How you cried and you cried  
And you cried and you cried  
If you call out 'safe' then I'll stop right away  
If the premise buckles and the ropes start to shake  
The details mark but the story's the same  
You don't have to explain, you don't have to explain humiliation  
Of your teenage nation  
Yeah, you cried and you cried  
He's alive, he's alive  
How you cried and you cried  
And you cried  
And you realized your fantasies  
Are dressed up in travesties  
Enjoy yourself with no regrets  
Everybody here comes from somewhere  
That they would just as soon forget and disguise  
Yeah, you cried and you cried  
He's alive, he's alive  
Yeah you cried and you cried  
And you cried and you cried  
(Oh you cried and you cried)  
(Oh you cried and you cried)  
Now there's nothing dark and there's nothing weird  
Don't be afraid I will hold you near  
From the sance where you first betrayed  
An open heart on a darkened stage  
Celebration of your teenage station  
Inexperience sweet delirious  
Supernatural superserious  
Inexperience sweet delirious  
Supernatural superserious, wow
