

Full Moon (feat. Common)

Armand Van Helden

Freak, freak y'all
And you don't, don't stop
Keep on y'all
And you don't, don't stopFreak, freak y'all
And you don't, don't stop
Keep on y'all
And you don't, don't stopFreak, freak y'all
And you don't, don't stop
Keep on y'all
And you don't, don't stopFreak, freak y'all
And you don't, don't stop
Keep on y'all
And you don't, don't stopFollow me like one time
Everybody love me like they do the sunshine
Niggas just got off work
Time to unwindStrobe light smokin' thick [unverified]
Got my mind made up
All night I'ma stay up and fuck a lot
But nah, I ain't a playaGirl I'll house you, you in my hut
Thinkin' of a rhyme trying to hold my nut
Armand on the cut Com Sense MC
Baby put that ass in the air where I can seeFeel free, feel good
You ain't in the club trying to find a real love
I spill dubs on Heiny's and tequila shots
Where studs and chicks pee in the same spotIt's hot as hell
Freak show on the dance floor, is that you I smell?
I'ma give that ass room
Better yet, let's fuck in the bathroom
If we have room it's a full moonIt's a full moon out tonight
Party people here just feel alright
The place is packed and the mood is right
Now have a good time y'allA good time y'all
I know y'all niggas ain't come here to fight
Ain't nothin' but love so don't be uptight
Black, Latin, Asian and WhiteIt's a full moon out tonight
Party people here just feel alright
The place is packed and the mood is right
Now have a good time y'allA good time y'all
I know y'all niggas ain't come here to fight

Ain't nothin' but love so don't be uptight
Black, Latin, Asian and White
There's some hoes in this house
It's thick like them hoes from the south
Toothpick froze in my mouth
Y'all chicks don't know what I'm about
I did, 'Retropsect For Life'
They think I got a wife
But I got style to mine
So I dog 'em like Phife or Snoop
Already boned 3 out the group with my crew
I rock steady like the park
I hear foot steps in the dark
From them house heads
Dancin' in the circle in the house like curfew
To work you to the bone
Old school cuts get me in a zone
In the line I get restless
I'm straight I'm on the guest list
The red light specialist
Love is the message
From B-Boy to raver expressions
I get open like the bar at the rap sessions
Diggin in the crate with Armand
The phenomenon
Com' think faster than a Muslim doing Ramadan
I'm a wand, in other words, I'm wildin'
It's a full moon and peoples is howlin'
It's a full moon out tonight
Party people here just feel alright
The place is packed and the mood is right
Now have a good time y'all
A good time y'all
I know y'all niggas ain't come here to fight
Ain't nothin' but love so don't be uptight
Black, Latin, Asian and White
It's a full moon out tonight
Party people here just feel alright
The place is packed and the mood is right
Now have a good time y'all
A good time y'all
I know y'all niggas ain't come here to fight
Ain't nothin' but love so don't be uptight
Black, Latin, Asian and White
