

Makin' Love To You

Roxette

I don't believe in the rockin' pneumonia
And who cares if maybelline was a cow
Didn't see 'em rollin' over beethoven
Or hear the blues wrote for chairman maol don't care if they're rockin' the jailhouse
Or who's a-courting with a peggy sue
I don't care if they call you a hound dog
As long as I can make love to you
Love to youI love makin' love to youWho cares about the great'a pretender
And who the hell was a'johnny b.goode
Rave on it's a crazy feeling
Rave on like you know you should
You know you shouldI love makin' love to you
I love makin' love to youI don't care about the shakes in my knee bone
As long as I've got my blue suede shoes
Don't mind if you tickle my thigh bone
As long as I can make love to you love to you,babeI love makin' love to you
I love makin' love to you
