Don't Be Afraid (Jazz You Up Version)

Aaron Hall

There's no need to be afraid, my baby
I'm as gentle as a kittenOh, baby, don't you be afraid
I promise I won't hurt you, no way, no way
And through the good times and the bad
I said I will be right there hand in hand and side by sideI'm always near to catch your teardrops
From falling down your face and shield your lovely body
Shield your lovely body from the cold
Times when I am far away and I can't see the light of day
I know that we can make it if we only prayBaby, don't be afraid
Ain't no need, ain't no need, ain't no need
Baby, don't be afraid, baby, baby, baby
Baby, don't be afraid, baby
Baby, don't be afraid, don't be afraid of me, babyI want to hold you tight tonight
And so, please, girl, listen to me, I love you, lady
No woman in this world can ever take your place
So, baby, baby, don't you
Baby, don't throw this relationship awayBaby, don't be afraid, ain't no need, ain't no need
Baby, don't be afraid, there's no need, there's no need to be afraid
Baby, don't be afraid, don't you dare be afraid
Baby, don't be afraid, yeah, yeah, yeah, yeah, baby[Incomprehensible]
It sounds real goodBaby, take my love you need
I'm scared as you'll ever be
Honey, just give me one more chance, don't be, don't be afraid
I know what I did was wrong
I couldn't sleep all night longSweetheart, I love you
Can't you see
Don't be afraid
Don't be afraid of meCan't be without your love, baby
One day without you would drive me crazy
All I think about is holding you all night long
Don't be afraid of meYou were sent from Heaven above
You bring to me, so much love
All I'm asking from you is don't be afraid
Don't be afraid of meBaby, I love you, I'll never hurt you again
Oh, come back to me, never leave me
Oh, don't be afraid of me
