# Someone Like You

## Carlos Galhardo

I heard that you settled down
That you found a girl and youÂ’re married now
I heard that your dreams came true
Guess you gave up means I didnÂ’t give to you
Old friend, why you so shy?
AinÂ’t like you to hold back or hide from lie
I hate to turn on right out of the blue uninvited
But I couldnÂ’t stay away, I couldnÂ’t fight it
I hope you see my face and that should be reminded that for me
It isnÂ’t over

Never mind, IÂ’ll find someone like you
I wish nothing but the best for you too
DonÂ’t forget me Â
I remember this end,
Sometimes itÂ’s lasting love
Sometimes it hurts instead
Sometimes itÂ’s lasting love, yeah

You know how love ties lies
Only yesterday was the time of our lives
And we were born and raised in Â summer Â
Bound by these surprise of our glorious Â
I hate to turn on right out of the blue uninvited
But I couldnÂ’t stay away, I couldnÂ’t fight it
I hope you see my face and that should be reminded that for me
It isnÂ’t over

Never mind, IÂ’ll find someone like you
I wish nothing but the best for you too
DonÂ’t forget me Â
I remember this end,
Sometimes itÂ’s lasting love
Sometimes it hurts instead
Sometimes itÂ’s lasting love, yeah.
