

# Are You Dead Yet

## Children Of Bodom

Are You Dead Yet Don't hear, don't deem. Drown in before you dive.  
Don't care, commit to your self destruction drive  
I kiss the ground with love beyond forever  
Flip off the sky with bleeding fingers till I die Enemy, take a one good look at me.  
Eradicate what you'll always be,  
Your tainted flesh, polluted soul through a mirror I behold.  
Throw a punch, shards bleed on the floor  
Tearing me apart but I don't care anymore.  
Should I regret or ask myself  
Are You Dead Yet? Wake up, don't cry. Regenerate to deny the truth,  
The fiction you live in blindfold your eyes.  
Disclosure, self loathing. This time you've gone too far.  
Or could it be, my nemesis that you are me? Enemy, take a one good look at me.  
Eradicate what you'll always be  
Your tainted flesh, polluted soul through a mirror I behold.  
Throw a punch, shards bleed on the floor  
Tearing me apart but I don't care anymore.  
Should I regret or ask myself ARE YOU DEAD YET?
