

Vortex

François K.

Internal combustion
Multiple personalities
Terror inside of me
A mask of silent agony
Curse the falling rain
The vortex of pain
As medieval as Merlin
A pact for power was made
Lucifer in transition
It's time, time the price was paid
Scorchin' the domain
The vortex of pain
A telestic message
Written in torment
Howl out dirges
Like the horns of Jericho
Distorted faces
Writhin' in rage
Walls of purgatory
Tumble down
Endless death
The jewels of a crown
The jewels of the crown
