

He Wasn't Man Enough

Toni Braxton

Darkchild, oh yeah
Toni Braxton, oh
Yeah, uh, uh
Darkchild yeah, listen girl
Who do you think I am?
Don't you know that he was my man?
But I chose to let him go
So why do you act like I still care about him?
Looking at me like I'm hurt
When I'm the one who said
I didn't want it to work
Don't you forget I had him first?
Whatcha' thinking? Stop blaming me
He wasn't man enough for me
If you don't know now, here's your chance
I've already had your man
Do you wonder just where he's been? Yeah
And I'd be worried about him
Now it's time you know the truth
I think he's just the man for you
What are you thinking
Do you know about us back then?
Do you know I dumped your husband?
Girlfriend, I'm not thinking 'bout him
But you married him
Do you know I made him leave?
Do you know he begged to stay with me?
He wasn't man enough for me, listen girl
Didn't he tell you the truth
If not, then why don't you ask him?
And maybe you could be more into him
Instead of worrying 'bout me
And hopefully, you won't find
All of the reasons why
His love didn't count
And why we couldn't work it out
Whatcha' thinking? Stop blaming me
He wasn't man enough for me
If you don't know now, here's your chance

See I've already had your man
Do you wonder just where he's been? Yeah
And I'd be worried about him
Now it's time you know the truth
I think he's just the man for you
What are you thinking?
Do you know about us back then?
Do you know I dumped your husband?
Girlfriend, I'm not thinking 'bout him
But you married him
Do you know I made him leave?
Do you know he begged to stay with me?
He wasn't man enough for me
So many reasons why our love is through yeah
What makes you think he'll be good to you?
No it makes no sense 'cause he will never change
Girl, you better recognize the game
What are you thinking?
Do you know about us back then?
Do you know I dumped your husband?
Girlfriend, I'm not thinking 'bout him
But you married him
Do you know I made him leave?
Do you know he begged to stay with me?
He wasn't man enough for me
What are you thinking?
Do you know about us back then?
Do you know I dumped your husband?
Girlfriend, I'm not thinking 'bout him
But you married him
Do you know I made him leave?
Do you know he begged to stay with me?
He wasn't man enough for me
What are you thinking?
Do you know about us back then?
Do you know I dumped your husband?
Girlfriend, I'm not thinking 'bout him
But you married him
Do you know I made him leave?
Do you know he begged to stay with me?
He wasn't man enough for me
