

# Cold and Ugly (live)

## Tool

Underneath her skin and jewelry,  
Hidden in her words and eyes  
Is a wall that's cold and ugly  
And she's scared as hell.  
Trembling at the thought of feeling.  
Wide awake and keeping distance.  
Nothing seems to penetrate her.  
She's scared as hell.  
I am frightened to.  
Wide awake  
And keeping distance from my soul.  
I am scared like you.
