

Gettin' Enough

Lil Chris

I remember the first time
I remember the perspiration
I remember the way
She thought that I was funnyLike a fool I adored her
I was stood in the corner shakin'
It was gettin' too much for me to bearAre you gettin' enough with someone?
Are you gettin' enough with someone?
I can help you
Maybe I'll be that someone
You'll be gettin' enough withAre you gettin' enough with someone?
Are you gettin' enough, enough to satisfy you?
Maybe you are that someone
I'll be gettin' enough withSo I got her number on my hand
I got her number
And two weeks later we got together
And then decided to take things furtherSo we started to get fonder
So I started to wander on her
It was gettin' too much for me to bearAre you gettin' enough with someone?
Are you gettin' enough someone?
I can help you
Maybe I'll be that someone
You'll be gettin' enough withAre you gettin' enough with someone?
Are you gettin' enough, enough to satisfy you?
Maybe you are that someone
I'll be gettin' enough withI never got off with a girl like this
'Cause I never took a chance with a girl like this
OhI never got on with a girl like this
'Cause I never took a chance with a girl like this
OhAre you gettin' enough with someone?
Are you gettin' enough with someone?
I can help you
Maybe I'll be that someone
You'll be gettin' enough withAre you gettin' enough with someone?
Are you gettin' enough, enough to satisfy you?
Maybe you are that someone
I'll be gettin' enough with
