# Bye Bye Love

## Houston

Yeah, she said, "You don't wanna do right", yeah
Now I done stayed out all night
And now I'm walkin' in at four
She had a sign out on the front porch
Tellin' me that I don't live here no more
We had an argument, a fight now I was tryin' to work it out
Now I'm just a man not tryin' catch a case
So I do what a mans gotta do
She said, "Maybe we should married
You should buy a ring
And I told her I cant make no promises today"
And you love me, love me not she driving me so crazy
I'm not ready to go that far
She said, "Bye, bye, love"
She said, "You don't live here no more
Unless you change your mind
You can pack them bags walk out the door
'Cuz you ain't livin' here no more, boy"
She said, "Bye, bye, love"
She said, "You don't live here no more
Unless you change your mind
You can pack them bags walk out the door
'Cuz you ain't livin' here no more, boy"
We been together now almost a year
And I tried my best to raise his son like he was my own kid
See, every time I turn around and look up it's gettin' weird
I don't wanna commit to her but I don't wanna let it go
She don't care nothing about my dreams she says there hobbies
And I should work a job and I should be content
I can't commit to her 'til she commits to herself
There ain't no appealin' I can hear her say, whoa
She said, "Bye, bye, love"
She said, "You don't live here no more
Unless you change your mind
(Change your mind)
You can pack them bags walk out the door
'Cuz you ain't livin' here no more boy"
She said, "Bye, bye, love"
She said, "You don't live here no more

(You don't live here)
Unless you change your mind
You can pack them bags walk out the door
'Cuz you ain't livin' here no more, boy"

Na, na, na, na, na, na
Na, na, na, na, na
(Well, well, well)
Na, na, na, na, na, na
You can pack them bags walk out the door
'Cuz you ain't livin here no more
Na, na, na, na, na , na
Na, na, na, na, na
Na, na, na, na, na, na
(Oh no)
You can pack them bags walk out the door
'Cuz you ain't livin' here no more
(Ohh baby)
She said, "Bye, bye, love"
(I'm gonna say bye bye)
She said, "You don't live here no more
(You don't live here)
Unless you change your mind
(This is my house, these are my clothes, no more)
You can pack them bags walk out the door
'Cuz you ain't livin' here no more boy"
She said, "Bye, bye, love"
(I'm say goodbye)
She said, "You don't live here no more
(Houston, don't play games)
Unless you change your mind
You can pack them bags walk out the door
(No! You can pack them bags and)
'Cuz you ain't livin' here no more boy"
She said, "Bye, bye, love"
(Bye, bye, bye, bye)
She said, "You don't live here no more
(No, no, no more)
Unless you change your mind
(I'm only 19 )
You can pack them bags walk out the door
(Too young to get married)
'Cuz you ain't livin' here no more boy"
She said, "Bye, bye, love"
She said, "You don't live here no more

(How you gonna have a sign on the front porch?)
Unless you change your mind
You can pack them bags walk out the door
'Cuz you ain't livin' here no more boy"
