

# Piano Song

## Tindersticks

Shut up  
I'm thinking  
Shut up  
I'm thinkingShut up  
I'm thinking  
I'm thinking  
So shut upIf I hold you too tight just say, "Let go"  
I know this touch can leave you hurting  
When my words clatter about your head  
Don't go to bed, just say, "Shut up"Cause in my sleep, I still clench my teeth  
I'm at my strongest only when I'm weak  
I can give you those bruises just by talking to you  
You know I can laugh 'til you're almost throughShut up, yeah  
Shut up, yeah  
Shut up, yeah  
I'm thinking, ohShut up, yeah  
Shut up, yeah  
Shut up, yeah  
I'm thinking, oh
