

Never Gonna Say I'm Sorry (Remastered)

Ace of Base

I'm never gonna say I'm sorry,
I'm a clown for everyone
I'm never gonna let you down,
I'm always here like a sun I'm a loser, that is a fact for sure
I'm happy even if you don't want
To invite me out for a dance tonight
I'm not normal, I know, I don't care
I'm never gonna say I'm always here like a sun, I'm always here
Like a ghost I follow your steps so true
You don't have to bribe me or fill me up
Give me just a minute to shine with you
I will make you so happy, make you laugh
I'm never gonna say I'm sorry for The essence of my soul
There's so many ways to change my life
'Cause I want to, oh
I'm like a clown, I'm fun for everyone,
I'm never gonna say I'm sorry
