Bug Juice

Grip Inc.

THEME SONG
Bug Juice, it doesn't come in a jar.
Bug Juice comes from who you are.
It has the flavor of what you can become,
Freedom, reachin' out on your own,
Yeah, freedom lightin' up the unknown.
Workin' together we all have grown.
Bug Juice, the true-life adventures,
Bug Juice, real kids, makin' friends, havin' fun,
On Bug Juice!
