The Denouement

I Am Ghost

Dies irae solvet saeclum in favilla.
Mors stupebit cum resurget creatura.
Requiem aeternam dona eis,
Et lux perpetua luceat eis
Exaudi orationem meam.(A day of wrath will dissolve the world into glowing ashes.
Death shall be amazed when creation rises again.
Give them eternal rest,
And let perpetual light shine on them;
O hear my prayers.)Requiem aeternam... requiem
Requiem et lux perpetua luceat eis
Dona eis requiem(Eternal rest...rest
And let perpetual light shine on them
Grant them rest)
