

It's Over Love

Richard Hawley

And all those wasted years
And all those pointless tears
They're over love
And all those wasted days
Are leading us to say
It's over love
It's over love
It's over love
It's over love
And all those pointless fears
And all those wasted years
They're over love
And all those wasted days
Are leading us to say
It's over love
It's over love
It's over love
It's over love
It's over love
It's over love
