

# Through the Fire and the Flames

## Old Dominion University Monarch Marching Band

On a cold winter morning  
In the time before the light  
In flames of death's eternal reign  
We ride towards the fight  
When the darkness has fallen down  
And the times are tough alright  
The sound of evil laughter falls  
Around the world tonight  
Fighting hard, fighting on for the steel  
Through the wastelands evermore  
The scattered souls will feel the hell  
Bodies wasted on the shore  
On the blackest plains in Hell's domain  
We watch them as they go  
Through the fire and pain and once again we know!  
So now we're flying we're free  
We're free before the thunderstorm  
On towards the wilderness  
Our quest carries on  
Far beyond the sundown  
Far beyond the moonlight  
Deep inside our hearts and all our souls!  
So far away we wait for the day  
For the lives all so wasted and gone  
We feel the pain of a lifetime lost in a thousand days  
Through the fire and the flames we carry on!  
As the red day is dawning  
And the lightning cracks the sky  
They'll raise their hands to the heavens above  
With resentment in their eyes  
Running back through the midmorning light  
There's a burning in my heart  
We're banished from a time in a fallen land  
To a life beyond the stars  
In your darkest dreams see to believe  
Our destiny is time  
And endlessly we'll all be free tonight!  
And on the wings of a dream  
So far beyond reality

All alone in desperation  
Now the time has gone  
Lost inside you'll never find  
Lost within my own mind  
Day after day this misery must go on!  
So far away we wait for the day  
For the lives all so wasted and gone  
We feel the pain of a lifetime lost in a thousand days  
Through the fire and the flames we carry on!  
Now here we stand with their blood on our hands  
We fought so hard, now can we understand  
I'll break the seal of this curse if I possibly can  
For freedom of every man!  
So far away we wait for the day  
For the lives all so wasted and gone  
We feel the pain of a lifetime lost in a thousand days  
Through the fire and the flames we carry on!
