Everybody People
Everybody standing their ground
(oh yeah)You dream through the top
You'll be over the edge
If you get in our side
You'll be taking a pitch
You'll be loving a lot
But you don't know why
It's the time of the day
So we're never inside
Your heart isn't there
So you might aswell sing
I know it
I got it
But I know that time will set me togetherPeople
