

What Did I Do?/God As My Witness

Foo Fighters

There you go again, putting words into my mouth
This one's for you to know and for me to find out
All that trouble that you're all about
How you gonna know, til you hear it out loud? Stop, ask myself, what did I do?
What did I do to deserve you?
Go on, tell me now, what did I do?
What did I do to deserve you? I heard every word coming from the thirteenth floor
The song came along, heard the voices tell me
To save yourself, oh behave yourself
I'll stop, ask myself, what can I do?
What can I do to preserve you?
Go on, tell me now, what can I do?
What can I do to conserve you? Don't need urethane, I can see the writing on the wall
Come on, flip a coin, it's gonna tell you
To save yourself, oh, behave yourself Young man, chilling, nobody yes on the sell
You raise, blown away, singing at the gate
To save yourself, oh, behave yourself So here I go again, putting words into your mouth
This one's for me to know, and for you to find out
All that trouble that I'm all about
How you gonna know, til you hear it out loud?
All your heroes, where are they now?
I'm lost, deliver me, I crossed the river finally
God as my witness, yeah he's gonna heal my soul tonight
God as my witness, yeah he's gonna heal my soul tonight
God as my witness, yeah he's gonna heal my soul tonight
