

Good Time Charlie'S Got The Blues

Jerry Lee Lewis

Everybody's gone away
Said they're movin to L.A.
There's not a soul I know around
Everybody's leavin' townSome caught a freight, some caught a plane
Find the sunshine, leave the rain
They said this town were a waste of time
I guess they're right, it's wasting mineSome gotta win, some gotta lose
Good time Charlie's got the blues
Good time Charlie's got the bluesYou know my heart keeps tellin' me
You're not a kid at thirty-three
Play around you'll lose your wife
You play too hard you'll lose your lifeSome gotta win, some gotta lose
Good time Charlie's got the blues
Good time Charlie's got the blues
Good time Charlie's got the bluesSome gotta win, some gotta lose
Good time Charlie's got the blues
Good time Charlie's got the blues
Good time Charlie's got the blues
