Tiny Smiles

Lush

I would like to do
Something for you
You want me toShe's just the same
She likes to play
I'll hide kisses in your hairDon't feel ashamed
You're not to blame
It's just a gameBut just the same
What would they say?
Baby angel on my knee
(Baby angel on my)Lips are sealed
Lips are sealed
Lips are sealedCome, sit with me
Slide on my knee
Sing just for me
And for a while
I'll make you smileBaby angel on my knee
(Baby angel on my)
I know what you want from me
(I know what you want from me)I'll make you smile
I'll make you smile
I'll make you smileOutside she's listening
To laughter and whispering
But she won't say
Nothing to him, seeShe's just the same
She's just the same
She's just the same
