Lay All Your Love On Me

A*Teens

Don't go wasting your emotion
Lay all your love on meI wasn't jealous before we met
Now every woman I see is a potential threat
And I'm possessive it isn't nice
You've heard me saying that smoking was my only viceBut now it isn't true, now everything is new
And all I've learned has overturned, I beg of youDon't go wasting your emotion
Lay all your love on meIt was like shooting a sitting duck
A little small talk a smile and baby I was stuck
I still don't know what you've done with me
A grown up woman should never fall so easilyI feel a kind of fear when I don't have you near
Unsatisfied I skip my pride, I beg you dearDon't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on meDon't go wasting your emotion
Lay all your love on me
Don't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on meDon't go wasting your emotion
Lay all your love on me
Don't go sharing your devotion
Lay all your love on me
