

Palace of Excess

Ash

Dancing with the trustafarian daughters
You and I know everything we've learned
Chasing our dreams we stole defeat
From the jaws of victory
Lord we crashed and burned Suicide girls
Suicide girls
Stay by my side tonight
Stay by my side tonight The empty promises in the palace of excess
We never stopped to face our past
The glory of rock n' roll
You gave both your heart and soul
Just to hang out with the band
Oh, yeah Suicide girls
Suicide girls
Stay by my side tonight
Stay by my side tonight
